Good morning Tony,

Thank you for faxing me your draft of staff's "finding of facts" regarding AmSouth's request for PUD amendment. Upon review of said document, it is AmSouth's request that a continuance of sixty (60) calendar days be granted. As per our discussion via phone on 8/21/03, said continuance would then place AmSouth on the November 5th Planning and Zoning hearing/meeting agenda.

Thanks you,

BILL TOMALA
